Notice Regarding Tax Deductibility of Dues

MSFDA dues are not deductible as a charitable contribution for federal tax purposes, but may be deductible as business expenses.

Generally, funeral homes that pay MSFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the Budget Revenue Reconciliation Act of 1993 (the "Act"), any dues revenues utilized by a professional or trade association for lobbying purposes cannot be deducted by the member who paid the dues.

In accordance with the Act, the Maryland State Funeral Directors Association is hereby notifying its membership that it estimates that 5.69% of MSFDA 2021 dues is not deductible as ordinary business expenses for federal tax purposes. This estimate is to be utilized by MSFDA members in determining what portion of their MSFDA dues is deductible. Please provide a copy of this notice to your accountant and tax preparer.
